4. **Under this remark I signed by my name.**
5. Enclosed herewith attachment "A1" of this first page with my remark (you can see it also in the fax that you have received from me then.)
6. My first fax was sent in the date of December 15, 2003 at the time of 02:49pm (Israel time). (See attachment "A2")
7. My second fax (with the remark) was sent 11 hours after the first fax , in the date of December 16, 2003 around the time of 03:13am (See attachment "A3-A4")
8. 6 days after that, in the date of Decmber 22, 2003, the USPTO used the credit card payment form only once (US\$475) .
9. I believe that if the USPTO was using then the credit card form twice (= US\$950) , then one can say that the argument in paragraph 1 in this letter is possible.
10. I believe that someone in the USPTO paid is attention to my remark and that is way he used the credit form only once. (US\$475)
11. In the date of December 29, 2003 , the USPTO received the same fax with the remark (See attachment "A5") (I sent it also by registered mail in the date of December 16, 2003.) (See attachment "A6")
12. 11 days after that, in the date of January 11, 2003, someone in the USPTO did not pay his attention that this response was paid already and used again the same credit card payment Form, (from the registered mail) - the second time (US\$475) .
13. From this series of events , I really believe, that it proves that someone in the USPTO have done a mistake.
14. Someone used twice the US\$475 (US\$950) for the same response.
15. I really believe that these attachments and series of events prove clearly that the argument that was raised (paragraph 1 in this letter) as a possibility to take these US\$475 twice - is not possible at all.
16. I believe that it was simply a mistake (that can happen) of someone in the USPTO.
17. Please help me if you can to get back the US\$475 - so I can use it to pay urgently the renewals fee that I have to pay till the end of this month for countries in Europe.
18. I need this Money Urgently.
19. Please transfer this email to the right place in the USPTO, so they will cancel one of the payments that they took by mistake from Nancy Cohen.
20. If it is not possible now, Please let them know that it is urgent for me that they will send Urgently the US\$475 by Money transfer to:

Nancy Cohen

21. If it's also not possible, please send a Cheque to Nancy Cohen under her name to her address which is:

22. Please don't send the Money with a Cheque under My name.
23. Please let me know to where I need to send this Fax/Email and talk with in the telephone in the USPTO.
